

## **Additional Terms and Conditions for BEMA Vendor (Authorized Parts Distributor)**

The terms and conditions listed below, together with those appearing on the purchase order, and *BEMA's Terms and Conditions for Vendors*, constitute the entire agreement between BEMA and Seller. In the event of a conflict, the terms in conflict stated on the Purchase Order takes precedence.

### **Counterfeit Parts:**

Counterfeit parts are of special concern to BEMA. To avoid or lessen the possibility of using counterfeit parts in our manufacturing operations, BEMA only purchases goods from authorized distributors. As such, Seller shall only purchase components and parts from Original Equipment Manufacturers (OEMs) or through the OEM's authorized distributor chain. Seller must make available to Buyer upon request, OEM documentation that authenticates traceability of components and parts ordered to the applicable OEM.

### **No Part Substitutions Allowed:**

The exact part number called out must be used to fulfill the Purchase Order. There is no provision for the use of substitutions. Any substitutions must be approved by BEMA prior to fulfillment of the order.

### **Certificate of Conformance:**

A copy of the Certificate of Conformance is required for this item. The Certificate of Conformance shall identify the item and include the date of manufacture or lot number for traceability purposes.

### **Quality Control System:**

The product on this order must be controlled under a Quality Control System that is consistent with the requirements of ISO-9001.
